BELFAST SOUP KITCHEN NEW HOME

Belfast, Maine, June 5. The Belfast Soup Kitchen is currently under contract to purchase land that is suitable in location, size, and development cost for the construction of a new home. The BSK Board of Directors has been encouraged by a local bank to pursue a construction loan, which will be converted to a mortgage upon completion. A capitol campaign will be needed to insure completion.

The building should be complete within 8 months after securing finances and selecting a contractor, and there is approximately 10 months to make that happen. Design elements include a main seating area, which will accommodate approximately 84 guests, large and small meeting rooms, an administrative office, guest and staff bathrooms, an ergonomic kitchen with an adjacent food storage area, walk-in cooler and freezers, and on-site parking.

The Belfast Soup Kitchen is a 501(c)(3) non-profit organization and the only full time soup kitchen in Waldo County. The BSK prepares and serves meals to 50-70 guests daily and served 20,000 meals per year in the last two years.

Mission Statement: The Belfast Soup Kitchen provides a safe community where the guests can find food, comfort and hope for the future in an atmosphere of dignity and respect.
